NATIONAL ANTHEM

Here are the lyrics... Romanian and then English...

Deșteaptă-te, române, din somnul
cel de moarte,
În care te-adânciră barbarii de
tirani!

Acum ori niciodată croiește-ți altă
soartă,
La care să se-nchine și cruzii tăi
dușmani!

Acum ori niciodată să dăm dovezi în
lume
Că-n aste mâni mai curge un sânge
de roman,

Și că-n a noastre piepturi păstrăm
cu fală-un nume
Triumfător în lupte, un nume de
Traian!

Priviți, mărețe umbre, Mihai, Ștefan,
Corvine,
Româna națiune, ai voștri
strănepoți,
Cu brațele armate, cu focul vostru-n
vine,
« Viață-n libertate ori moarte! »
strigă toți.

Preoți, cu crucea-n frunte! căci
oastea e creștină,
Deviza-i libertate și scopul ei
preasfânt,
Murim mai bine-n luptă, cu glorie
deplină,
Decât să fim sclavi iarăși în vechiul
nost' pământ!

Wake up, Romanian, from your
deadly sleep,
Where you sunk by the barbaric
tyrants!
Now or never make your new fate,
To which, bow and your cruel
enemies!

Now or never to give evidence world
That, in these veins still flows a

Roman blood,
And it's our chests with pride keep a
name
Triumphant in battle, the name of
Trajan!

Look, shadows of highnesses, Mihai,
Stefan, Corvinus,
Romanian Nation, your great
grandchildren,
With arms, with your fire-veins,
"Life in freedom or death!" Cried all.

Priests, with cross in their hands!
because the army is Christian
His motto and goal is holy freedom,
Better to die, in battle, in full glory,
Rather than be slaves again in the
old ancestral land!
